

Agile Procurement & Subcontractor Oversight
for Federal Missions.

A Woman-Owned Small Business delivering top-tier goods, services, and compliance navigation with zero bureaucratic drag — lean to run, exacting on standards.

CORE COMPETENCIES

- 01

Government Contract Management & Execution
Cradle-to-close administration of federal awards.
- 02

Subcontractor & Vendor Quality Oversight
Specification conformance verified before government acceptance.
- 03

Federal Procurement Navigation
FAR-aligned sourcing, compliance, and submission support.
- 04

Small Business & Non-Profit Entity Stand-Up
Registration, certification, and operating-structure setup.

DIFFERENTIATORS

- **Direct principal accountability**
A lean, zero-overhead shop where the founder owns delivery.
- **Proven DOD past performance**
Prime to Norfolk Naval Shipyard — on schedule, fully compliant.
- **Procurement-to-invoice fluency**
Quote, tech-cert, OPSEC, and WAWF handled end to end.
- **WOSB teaming partner**
Supports prime contractors' small-business subcontracting goals.
